Hi,

I have made a few small changes based on our conversation this afternoon, but this can be used for reference at this point. It will be a working document as we proceed. Kristen, [Not responsive](#)

**Subject:** question re Dept staffing

Hi Dylan – the Commission on Inclusive Education recommended the creation of an executive director of inclusive education within the Department of Education and Early Childhood Development. My recollection is that the Minister agreed to do this. Can you please provide an update on whether that position has been filled and what the name is of the individual in that role?

Thanks,
